Report No. SES-00354

Wednesday January 2, 2002

## SATELLITE COMMUNICATIONS SERVICES

### RE: SATELLITE RADIO APPLICATIONS ACCEPTED FOR FILING

The applications listed herein have been found, upon initial review, to be acceptable for filing. The Commission reserves the right to return any of the applications if, upon further examination, it is determined they are defective and not in conformance with the Commission's Rules and Regulations and its Policies. Final action will not be taken on any of these applications earlier than 30 days following the date of this notice. 47 U.S.C. & 309(b). All applications accepted for filing will be assigned call signs, or other unique station identifiers. However, these assignments are for administrative purposes only and do not in any way prejudice Commission action.

Space Imaging LLC

Special Temporary Authority

**Class of Station:**

Applicant requests a 180 day extension of an existing special temporary authorization (STA) to operate a transportable 5.4-meter earth station in the Washington, DC metropolitan area beginning from December 31, 2001. The earth station will communicate with Space Imaging's IKONOS remote sensing satellite on an intermittent basis for the purpose of demonstrating the IKONOS system's capabilities to U.S. government officials.
